MEMBERSHIP APPLICATION – We want you to join!

Our Purpose

- To represent the Rural Community of Hornsby Shire's Rural Areas in any discussion and/or negotiation with any or all Government Bodies or other Groups to progress the views and wishes of that Community in order to achieve its desired aims.

Our Objectives

- To meet with and confer with all interested Members of the HRAA concerning any Community subject.
- To establish from such meetings what the aims and objectives of the Members are in respect of any particular subject.
- To convey those aims and objectives, with vigour where necessary, to the responsible Government bodies or other groups and ensure, wherever possible, that those views are understood and taken into account with any resultant planning or actions.

Our Committee

- Vince Del Popolo, John Galluzzo, Tony Jones, Peter Knox, Kevin Quinn, Joe Saliba, Paul Scuglia, Warren Waddell.

Our Immediate Task

- Replanning of the Hornsby Shire Rural Areas. As most people are aware Hornsby Council recently undertook a Survey of Rural Area residents, and some Urban residents, concerning the Replanning and Rezoning of the entire Rural Area. The results of that Survey are due to be made public in November 2014 and could lead to a process of Replanning that will take some years to complete. Within that Survey were a number of Visionary concepts which, if implemented properly, would result in a Rural Area that would retain the Rural character that we know and enjoy living with today, but also promote population growth. **Mass subdivision is not on that agenda.**

We want to work with Council to formulate the new plan and ensure that what results is what the Community wants. Council want our participation!

This is Your Area – have Your Say!

Join our Association! We need your views and your support to make sure of a good outcome.

Please complete the Membership Form overleaf and email or post to the address shown together with your subscription.

Sincerely,
Your HRAA Committee.
